MEMORANDUM FOR: Chief, Manning Branch, Mobilization
and Military Personnel Division

25X1A **SUBJECT** : Recruitment of Aircraft Mechanics at
[redacted]

25X1A

1. A query was forwarded to [redacted] requesting permission to accept for processing Aircraft Maintenance Technicians who were well-qualified in the 43171C field. Aircraft background would not be a consideration so long as the incumbent was above average in his specialty.

25X1A

[redacted] has concurred with this query. Therefore, it is requested that any well-qualified 43171C's be solicited in place of restricting the recruitment to the F-101B field.

25X1A

2. Although this allows some latitude in recruiting, it is requested that Jet Mechanic recruitment be confined to aircraft of one or two engine size. Personnel having strong background in B-47, B-52 and E-58 aircraft will not be accepted into [redacted] program.
